A Look Ahead

Language Arts: This month we will be writing stories with a beginning, middle and end as well as editing our own written work. Remember to use www.raz-kids.com to work on reading skills at home.

Math: We will be focusing on 2-digit addition and subtraction to 100, math facts, word problems, increasing patterns, and calendar concepts.

Social Studies: We will continue our travels across Canada and will head all the way over to the east coast! We will be visiting a small fishing village in Nova Scotia to study the culture and history of Meteghan.

Science: We will be finishing up Boats and Buoyancy this month and then covering our last topic in science: Small Crawling and Flying Animals. Students will be learning about the structure and life habits of small animals.

Bucket of Sand Family Dance

Friday, June 1st

5:30 - 7:30 pm

at the Curling Rink

Admission is \$5.00 per family
