January 2022

Dear community,

Carstairs Elementary School is a newly expanded K-4 school. Our school capacity has increased to over 400 students. The expansion included 10 more classrooms, an expansion to our current gymnasium and a parent parking lot.

With the increase to our student population we are wanting to expand the playground equipment that is available for our students. Our current playground is not sufficient for our increased population.

We are aiming to raise over \$180 000 for our playground expansion and would greatly appreciate any donation that you could give us.

For you to be able to receive a tax receipt, our school division does require that a cheque be written to Carstairs Elementary. If you need further information about our school expansion, please contact us at 403 337 8670.

We thank you for your consideration of our request for a donation to our school's playground fundraising campaign.

Kind regards,
