Upcoming Dates:

2nd: Science Fair

3rd: Report Cards & Science Fair Assembly

10th: No school for students

14th: Valentine Exchange & wear Valentine's Day colours

20th-24th : Winter Break

27th: Pink Shirt Day & bring a stuffy for the day

- Your child's teacher will be emailing a list of student names for the Valentine exchange
- New student log in cards are coming home as students' passwords have been changed

Important Information:

- Please try to label all clothing: hats, mitts, boots.
- Please send a change of clothes that can be left at school in a labeled bag.
- *Please send a water bottle daily to school.*
- **If your child is away from school for a few days and is feeling well enough to do school work, please use our Google Classroom for daily work. There is a Daily Work Chart in Google classroom for assigned daily work. Each day of the week has instructions that cover the curriculum. If it's highlighted in yellow, please turn in or email to the teacher.**

A Look Ahead:

Language Arts:

This month we will be learning how to research. Our topic will be penguins. We also will be reading literature and learning vocabulary related to penguins.

Math:

This month students will be continuing to practice number concepts up to 500 such as expanded form ($353 = 300 + 50 + 3$), odd/even, skip counting, base ten blocks. Our focus will be on 3 digit numbers. We will also be focusing on building addition and subtraction strategies.

Science:

We will be learning about magnets through hands-on activities and stations.

Social:

We are "boarding" a plane and heading to Iqaluit! We are excited for our new adventure.
